Associate in Applied Science Emergency Medical Services (SEM) Major

Updated 7.07; 8.08

PUC offers an Associate Degree to those students who successfully complete both 32 credit hours at PUC and the Clinical Phase at St. Anthony Medical Center, Crown Point, or Methodist Hospital, Merrillville.

- PUC classes can be started at any time.
- **You must see your advisor to obtain your PIN each semester before registering for courses.**
- Please read the **PUC academic catalog** for full details of graduation requirements. The academic catalog is available online at <http://www.calumet.purdue.edu/catalog/>
- One year of experience as an Emergency Medical Technician is required before applying to the Clinical Program.
