These are products for publishing and
managing bibliographies. They are used by
writers to locate bibliographic data and to
create bibliographies for their publications.
Purdue distributes these products as a single
suite of bibliographic software tools. The
suite may *not* be split into separate
components for installation on more than
one computer.

Who IS Eligible?

All full and part-time students at PUC. You
must be currently enrolled in at least one
class, which when successfully completed,
will result in the awarding of credit hours
verifiable through the Office of the
Registrar.

All full and part-time employees and faculty
of PUC who use a university-provided
computer to perform work-related functions.

All purchasers must show proof of affiliation
with PUC, provide a valid photo ID, ID
number, and you must sign a license
agreement.

Purdue University Calumet students must present
current semester class schedule (**FYI-You can**

acquire a copy of your schedule from PC Star, and **YOU** must print your own to present upon purchase)

Who is NOT Eligible?

Anyone not otherwise eligible, including, but not limited to anyone enrolled exclusively in non-credit courses, conference attendees, alumni, visitors, individuals not directly employed by PUC, PUC staff who do not use a computer at work, and retired staff.

If you have any questions, please visit:
www.itap.purdue.edu/support/licensing/sitelicense/msca

License Agreement

In order to use this software, you must agree to the following terms:

- I am a student enrolled in classes at Purdue University Calumet (PUC), or I am an employee of PUC who has a university-provided computer available for use at work.
- I will not give, loan, sell, rent, or lease this software to anyone. I understand that should I transfer this software to anyone, I may be subject to disciplinary action by the University and criminal prosecution for software piracy.
- I understand that I may purchase only **one** copy of each product. Should I purchase more than one copy of each, I may be subject to disciplinary action.
- These terms are not the full license agreement as provided by Microsoft, nor do they fully define your rights and limitations as provided by the agreement between Microsoft and Purdue University Calumet.
