

2007-2008 Verification Worksheet

Your application was selected for review in a process called "Verification." In this process we will be comparing information from your application with signed copies of your (and your spouse's, if you are married) 2006 Federal tax forms, W-2 forms, or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, Purdue University Calumet may need to make corrections, which will be done electronically.

Complete this verification form and submit it to The Office of Financial Aid and Student Accounts along with copies of your Federal tax returns(s) and W-2 form(s) as soon as possible so that your financial aid won't be delayed.
