

Get the NBS/FACTS about an Interest-Free Tuition Payment

- ❖ Purdue University Calumet is pleased to offer the NBS/FACTS tuition payment plan to enable you to more easily afford your educational expenses. NBS/FACTS is a tuition management plan that provides you with a low cost opportunity for budgeting tuition and other educational expenses. It is not a loan program; therefore, interest and finance charges are not assessed, nor is a credit check required.
- ❖ If you select either the automatic bank payment (ACH) or credit card option, there is a **\$25 non-refundable enrollment fee per semester**. All NBS/FACTS fees are processed directly from the account listed on the NBS/FACTS Agreement Form by either automatic bank payment (ACH) or charged to your credit card, depending upon the payment option you select.
- ❖ The NBS/FACTS tuition payment plan is a convenient and inexpensive way for you to make your payments. Your tuition payment(s) can be made through the Automatic Bank Payment Option (ACH) from your checking or savings account or the Credit Card Option (Visa or MasterCard). **No Debit Cards Accepted.**
- ❖ The NBS/FACTS tuition payment plan schedule is designed to give you flexibility in meeting your financial responsibility to Purdue University Calumet. **All monthly payments will be withdrawn on the 5th of each month.**
