

# HTM TODAY

## Thanks for the Memories

RHIT/HTM alumni are welcome back to celebrate over 25 years of the Restaurant, Hotel, Institutional & Tourism and Hospitality & Tourism management programs. In 1978, Purdue University Calumet offered its first foodservice management course. Approximately, twenty-five years later we offer baccalaureate, associates and certificate programs under the umbrella of Hospitality and Tourism Management. Join your fellow RHIT/HTM alum, faculty and staff for hors d'oeuvres, cocktails and conversation as we reminisce on the past, present and future of hospitality. The celebration will take place at the 20<sup>th</sup> Dinners Course anniversary event on December 7, 2006 in Purdue University Calumet's Student Union Library building. Alumni from will partake in cocktail hour in Founder's Study and dinner in the Region Room, prepared by the Fall 2006 HTM 492 class.

Contact Chynisse Browder for more information at (219) 989- 2384.
